

AUTHORSHIP RESPONSIBILITY FORM

Each author should read and sign the statements from the Authorship Responsibility, Criteria and Contributions and the Financial Disclosure

I. Authorship Responsibility, Criteria and Contributions

We, the Authors of this paper, certify that:

1. The manuscript is an original and valid work and neither this paper nor one with substantial similar content under our authorship has been published or is being considered for publication elsewhere.
2. Each Author has participated (design, drafting, data acquisition, data analysis and interpretation, statistical analysis, etc.) in the work represented by this manuscript to take public responsibility for the content.
3. Each Author has given final approval for the article submission.
4. Each Author qualifies for authorship by listing his/her name.
5. All Authors have agreed to allow the corresponding author to be the primary correspondent with the editorial office.
6. The humans' studies have been performed in accordance with the ethical standards laid down in an appropriate version of the 1964 Declaration of Helsinki. All patients included in the study gave their informed consent for their inclusion in the study.
7. Reports on animal experiments followed the "Principles of laboratory animal care".

II. Financial Disclosure

None of the authors of this article have any conflicts of interest, including specific financial interests and relationships relevant to the subject discussed in the manuscript.

or

There are conflicts of interest, including specific financial interests and relationships relevant to the subject discussed in the manuscript (employment or affiliation, grants or fundings, honoraria, stock ownership, etc.), as follows (*please list all conflicts of interest and the author's name*):

and

We certify that all financial and material support for this research and manuscript are clearly mentioned in an acknowledgment section to be published with the article.

Name	Signature	Date signed
